

Discussion on 1 Peter 1:1-2

1. What is an apostle? Is that still for today? How did Peter become an apostle of Jesus Christ? (John 1:41-42)

2. How do the terms “alien/stranger” describe being Christians? What are some of the advantages/ disadvantages of being a stranger in our world?

3. What does Peter say about God’s role in our becoming believers? (Romans 8:29-31, Ephesians 1:4, 5)

4. How clearly the Trinity is displayed here! How was each person of the Trinity active in my becoming a believer?

I was saved when the Father...?

I was saved when the Son...?

I was saved when the Holy Spirit...?

5. What does it mean to be “sprinkled with His blood”? What does this have to do with my sin? (Hebrews 10:22) How does it feel to be washed of all sin?

6. What did obedience to Jesus Christ look like in those days? What might that look like for us today?

7. How do we experience God’s grace and peace in our daily lives? How can we experience these in fuller measure? (John 16:33, Eph. 2:4, 5)
